Wi-Fi® connectivity

The MyDolphin™ Plus mobile app puts full control of your robot in the palm of your hands. Make your pool perfect, from anywhere, anytime.

maytronics

Dolphin M700

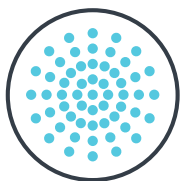

Absolute pool-cleaning performance

Welcome to pool cleaning on a whole new level. The Maytronics **Dolphin M700** robotic pool cleaner saves you valuable time with its intuitive operation and Wi-Fi® connectivity.

Use the MyDolphin™ Plus mobile app to customise cleaning schedules for your convenience and your pool's needs. The **M700** was masterfully designed to deliver incomparable scrubbing of the floor, walls, and waterline. New features include a unique sensor to measure water temperature and a filter gauge that accurately measure how full the internal filters are.

PowerStream and dual-drive mobility deliver incomparable waterline cleaning

Multi-layer filtration with extra sealing, prevents the return of fine dust to the pool

Set it and forget it using the MyDolphin™ Plus mobile app

Pick up mode, rises to the surface for easy removal

Advanced weekly scheduler and cleaning cycle options

Low energy consumption
